

## **Develop a Culture of Star Performers:**

### **Turn Mediocrity into High-Performance and Skyrocket Profits into Overdrive**

What do you see in your team? In this revealing, insightful session, commonplace language that literally weakens the ability to perform is unveiled. **Develop a Culture of Star Performers** delivers the stages of the learning process and habit forming cycle necessary to move beyond excuses and persist through challenging times. Open the unlimited potential of your people in everyday business with this valuable and educational program for leaders and teams to show up as star performers. **WARNING:** Not suited for participants unwilling to make mistakes along the way or anyone looking for instant gratification who gives up short of producing results.

#### **Participants will learn:**

- How to use the stages of the learning process to grow and move forward
- Four essential keys to success
- How habits are a blessing and a curse and the impact
- What WWW has to do with high-performance
- How to shift the mindset that making mistakes is a bad thing

*“Karen addressed our group and absolutely enthralled everyone. She brought energy, common sense, and humor to her presentation. She has a unique ability to connect with everyone in an audience and get them to engage, enjoy and be energized.”* **George Fleming, Momentum Coaching Resources, LLC**

#### **Benefits:**

**Productivity and initiative will increase. You and your team will function as star performers that expand business and deliver higher profits.**
